ORGANIZATIONAL STRUCTURE

1. Company Overview

Golden Kitchen Garden Rwanda (GKG) is a social enterprise established in 2020 with the mission of promoting Climate-Smart Agriculture (CSA), food security, nutrition improvement, and sustainable livelihoods in Rwanda through promoting youth and women job Creation. The company transforms underutilized spaces into productive Climate Smart kitchen gardens while empowering women, youth, and persons with disabilities (PWDs).

GKG operates through a hybrid model that combines commercial activities and social impact programs, serving households, schools, hotels, restaurants, NGOs, and government institutions.

To effectively deliver its services and achieve its strategic vision of becoming a national hub for urban agriculture excellence by 2030, GKG adopts a functional organizational structure that promotes accountability, efficiency, innovation, and sustainable growth.

2. Governance Structure

➤ Board of Directors

The Board of Directors provides strategic oversight, policy guidance, and governance to ensure the company achieves its mission and complies with legal and regulatory requirements.
