CHAPTER ONE: CORPORATE GOVERNANCE FRAMEWORK

1. INTRODUCTION

Golden Kitchen Garden Rwanda Ltd (GKG) is a registered social enterprise established to promote climate-smart agriculture, food security, nutrition improvement, environmental sustainability, and economic empowerment in Rwanda. The company was founded in 2020 with the vision of transforming underutilized spaces into productive and sustainable food systems that improve livelihoods and resilience among communities.

GKG operates through innovative extension on climate smart agricultural approaches including kitchen gardens, school gardens, organic farming, circular economy solutions, digital agriculture, and value chain development. The company works with households, schools, cooperatives, hotels, restaurants, government institutions, and development partners.

As the organization continues to expand its operations nationally, there is a need for a formal governance and management framework to guide staff, management, and stakeholders in carrying out their duties effectively and efficiently.

This Policies and Procedures Manual establishes the operational standards, rules, responsibilities, and systems necessary for ensuring accountability, transparency, professionalism, and compliance with applicable laws and regulations.

All employees, consultants, volunteers, interns, and board members of GKG shall comply with the provisions contained in this manual.

2. PURPOSE OF THE MANUAL: The purpose of this manual is to provide a standardized framework for the management and operations of Golden Kitchen Garden Rwanda Ltd.

Specifically, the manual aims to:

1. Define organizational structures and responsibilities.
2. Establish policies and operational procedures.
3. Promote accountability and transparency.
4. Ensure compliance with national laws and donor requirements.
5. Support effective management of human, financial, and material resources.
6. Strengthen internal controls and risk management.
7. Promote ethical conduct and professionalism.
8. Enhance service delivery and organizational performance.

This manual serves as an official reference document for all staff and stakeholders of GKG.

3. LEGAL STATUS AND REGISTRATION

Golden Kitchen Garden Rwanda Ltd is a legally registered company under the laws of the Republic of Rwanda.

The company operates in accordance with:

- Rwanda Company Law;
- Rwanda Labour Law;
- Tax regulations issued by Rwanda Revenue Authority (RRA);
- Environmental regulations;
- National agriculture policies;
- Regulations governing non-government partnerships and private enterprises.

Company Details: Company Name: **Golden Kitchen Garden Rwanda Ltd**

Registration Number: **112368548**

Head Office: Nkotsi Sector, Musanze , Northern Province, Rwanda

Email: info@goldenkitchengarden.com/ goldengarden121@gmail.com

Telephone: **+250 788 206 976**

Website: **www.goldenkitchengarden.com**

The company shall maintain all statutory registrations, licenses, and permits required for lawful operation.

Management shall ensure annual compliance with tax obligations, social security contributions, and statutory reporting requirements.

4. VISION, MISSION AND CORE VALUES

4.1 Vision

To build a hunger free and climate-resilient Rwanda where every household, school, and community has access to sustainable and nutritious food systems.

4.2 Mission

To promote climate-smart agriculture, nutrition security, environmental sustainability, and economic empowerment through innovative kitchen gardens, training, and inclusive value chains.

4.3 Core Values

Integrity: GKG conducts all activities honestly, transparently, and ethically.

Innovation: The Company embraces modern technologies and innovative agricultural solutions.

Sustainability: All interventions promote environmental conservation and long-term resilience.

Inclusiveness: GKG promotes participation of women, youth, and persons with disabilities.

Accountability: Staff are accountable for resources and results.

Professionalism

Employees perform duties with competence and respect.

Collaboration: GKG values partnerships with communities, government, and development actors.

5. STRATEGIC OBJECTIVES

The strategic objectives of GKG are:

Objective 1: Strengthen nutrition and food security among vulnerable populations.

Objective 2: Expand climate-smart kitchen gardens in households and institutions.

Objective 3: Promote sustainable agricultural technologies and innovation.

Objective 4: Increase income generation opportunities for women, youth, and PWDs.

Objective 5: Develop strong market linkages and value chains.

Objective 6: Enhance institutional capacity and sustainability.

Objective 7: Scale operations and Job Creation up 12,000 up to 2030.

6. ORGANIZATIONAL STRUCTURE

GKG adopts a functional organizational structure that promotes efficiency and accountability.

The organizational hierarchy is as follows:

The major departments include:

1. Human Resource and Administration Department
2. Finance and Accounting Department
3. Programs and Operations Department
4. Monitoring, Evaluation, Accountability and Learning Department
5. Business Development and Partnerships Department
6. Procurement and Logistics Department
7. ICT and Innovation Department

The organization may establish additional departments as necessary.

7. GOVERNANCE FRAMEWORK

The governance framework ensures effective leadership, oversight, and accountability.

Governance is guided by the following principles:

- Transparency
- Accountability
- Participation
- Equity
- Efficiency
- Rule of law

The governance structure comprises:

Board of Directors: Provides strategic oversight.

Managing Director: Responsible for daily management.

Senior Management Team: Coordinates departmental activities.

Staff Members: Implement operational activities.

The Board shall meet at least three times annually.

Management meetings shall be held monthly.

8. BOARD CHARTER

The Board of Directors shall provide strategic direction and oversight.

Functions of the Board include:

1. Approving strategic plans.
2. Approving budgets and annual reports.
3. Monitoring organizational performance.
4. Appointing and evaluating the Managing Director.
5. Approving policies and procedures.
6. Ensuring legal compliance.
7. Mobilizing partnerships and resources.

Board members shall:

- Act in good faith;
- Avoid conflicts of interest;
- Maintain confidentiality;

- Promote organizational interests.

Board membership terms shall be determined in accordance with company bylaws.

9. DELEGATION OF AUTHORITY MATRIX

The delegation of authority defines decision-making powers.

Board of Directors

Authority over:

- Strategic plans;
- Major investments;
- Annual budgets;
- Policy approval.

Managing Director

Authority over:

- Staff supervision;
- Operational decisions;
- Contract signing within approved limits;
- Resource mobilization.

Department Heads

Authority over:

- Department budgets;
- Staff supervision;
- Activity implementation.

Officers and Staff

Authority over:

- Daily operational activities;
- Reporting and documentation.

No employee shall exceed delegated authority without written approval.

10. CODE OF ETHICS AND CONDUCT

All employees shall uphold high ethical standards.

Employees shall:

- Act honestly and professionally;
- Respect beneficiaries and stakeholders;
- Protect company assets;
- Maintain confidentiality;
- Avoid discrimination and harassment;
- Comply with laws and policies.

The following conduct is prohibited:

- Fraud;
- Theft;
- Corruption;
- Sexual harassment;
- Abuse of authority;
- Falsification of records;
- Misuse of company property.

Violations shall attract disciplinary action.

11. CONFLICT OF INTEREST POLICY

A conflict of interest occurs when personal interests interfere with official duties.

Employees and board members shall:

- Declare actual or potential conflicts;
- Avoid participating in decisions where conflicts exist;
- Submit written disclosures to management.

Examples include:

- Awarding contracts to relatives;
- Personal financial gain from company transactions;
- Using confidential information for private benefit.

Failure to disclose conflicts may result in disciplinary measures.

12. ANTI-CORRUPTION POLICY

Golden Kitchen Garden Rwanda Ltd adopts a zero-tolerance approach to corruption.

Prohibited practices include:

- Bribery;
- Fraud;
- Embezzlement;
- Kickbacks;
- Extortion;
- Forgery.

All staff shall:

- Report suspected corruption;
- Cooperate with investigations;
- Protect company resources.

Whistleblowers shall be protected from retaliation.

Any employee found guilty of corruption shall be subject to disciplinary action, including termination and legal prosecution.

PART II: HUMAN RESOURCE MANUAL

CHAPTER 1: HUMAN RESOURCE POLICIES

1.1 Purpose of the HR Manual

This Human Resource Manual establishes policies and procedures governing recruitment, employment, performance management, staff welfare, discipline, and professional conduct at Golden Kitchen Garden Rwanda Ltd (GKG). The manual ensures fair treatment, compliance with Rwanda Labour Law, and efficient human resource management.

All employees, interns, consultants, and volunteers shall comply with this manual.

1.2 Equal Employment Opportunity Policy

GKG is committed to providing equal employment opportunities to all persons regardless of gender, age, disability, religion, ethnicity, marital status, or social background.

Policy Statements

- Recruitment shall be based on merit and competence.
- Equal pay shall be provided for equal work.
- Discrimination of any kind is prohibited.
- Employees shall have equal access to training and promotion opportunities.

Responsibilities

Management: Ensure fair recruitment and promotion.

Employees: Respect diversity and inclusion.

1.3 Gender and Inclusion Policy

GKG promotes gender equality and inclusion of women, youth, and persons with disabilities (PWDs).

Objectives

- Promote equal participation.
- Eliminate workplace barriers.
- Create safe working environments.

The company shall strive to maintain gender-balanced staffing and leadership positions.

1.4 Child Protection Policy

GKG has zero tolerance for child abuse, exploitation, and neglect.

Employees shall:

- Protect children from harm.
- Report suspected abuse immediately.
- Respect child safeguarding principles during field activities.

Any employee violating child protection standards shall face disciplinary action.

1.5 Protection from Sexual Exploitation and Abuse (PSEA)

GKG prohibits sexual exploitation, abuse, and harassment.

Prohibited Conduct:

- Requesting sexual favors.
- Exploitation of beneficiaries.
- Abuse of power for sexual purposes.

All allegations shall be investigated confidentially and fairly.

1.6 Anti-Harassment Policy

Harassment based on gender, religion, ethnicity, disability, or any other status is prohibited.

Examples include:

- Offensive language.
- Intimidation.
- Verbal or physical abuse.

Violators shall face disciplinary measures including dismissal.

CHAPTER 2: RECRUITMENT PROCEDURES**2.1 Workforce Planning**

Department heads shall identify staffing needs annually based on operational plans and budgets.

The HR Officer shall prepare an annual staffing plan for approval by management.

2.2 Vacancy Approval

All new positions must receive approval from the Managing Director before recruitment begins.

Vacancy requests shall specify:

- Job title
- Duties
- Qualifications
- Budget availability

2.3 Advertising Vacancies

Vacancies shall be advertised openly through:

- Company website
- Social media
- Newspapers
- Professional networks

Job advertisements shall indicate:

- Duties
- Qualifications
- Application deadline
- **2.4 Shortlisting**

The HR Officer shall coordinate shortlisting based on predetermined criteria.

Selection shall consider:

- Education
- Experience
- Skills
- Competencies

Equal opportunity principles shall apply.

2.5 Interviews

Interview panels shall consist of at least three members.

Assessment may include:

- Oral interviews
- Written tests
- Practical demonstrations

Interview results shall be documented.

2.6 Appointment

Successful candidates shall receive:

- Offer letters
- Employment contracts
- Job descriptions

No employee shall begin work without a signed contract.

CHAPTER 3: EMPLOYEE LIFE CYCLE

3.1 Staff Induction

All new employees shall undergo orientation covering:

- Company history
- Policies

- Job responsibilities
- Safety procedures

Induction shall occur within the first week of employment.

3.2 Probation

Employees shall serve a probation period of three to six months.

During probation:

- Performance shall be monitored.
- Feedback shall be provided regularly.

3.3 Confirmation of Employment

Employees who successfully complete probation shall receive written confirmation.

Unsatisfactory performance may lead to extension or termination.

3.4 Promotion

Promotions shall be based on:

- Performance
- Competence
- Experience
- Organizational needs

Equal opportunity principles shall apply.

3.5 Transfer

Management may transfer employees to different locations or departments based on operational requirements.

Transfers shall be communicated in writing.

CHAPTER 4: LEAVE MANAGEMENT

4.1 Annual Leave

Employees are entitled to annual leave in accordance with Rwanda Labour Law.

Leave shall:

- Be approved in advance.
- Be recorded by HR.

4.2 Sick Leave

Employees unable to work due to illness shall notify supervisors immediately and provide medical certificates when required.

4.3 Maternity Leave

Female employees shall receive maternity leave according to national legislation.

No employee shall suffer discrimination due to pregnancy.

4.4 Paternity Leave

Male employees shall be granted paternity leave in accordance with applicable labor regulations.

4.5 Compassionate Leave

Employees may receive compassionate leave in cases of:

- Death of immediate family members
- Family emergencies

Approval shall be obtained from supervisors.

CHAPTER 5: PERFORMANCE MANAGEMENT

5.1 Annual Performance Appraisal

Performance reviews shall be conducted annually.

Objectives include:

- Measuring achievements
- Identifying challenges
- Improving performance

5.2 Key Performance Indicators (KPIs)

Each employee shall have measurable performance indicators linked to organizational goals.

Examples:

- Number of farmers trained
- Reports submitted on time
- Funds managed accurately

5.3 Staff Development Plans

GKG shall promote staff capacity building through:

- Training
- Workshops
- Coaching
- Mentorship

Employees are encouraged to pursue continuous learning.

CHAPTER 6: DISCIPLINE AND GRIEVANCE

6.1 Misconduct Procedures

Misconduct includes:

- Absenteeism
- Fraud
- Theft
- Harassment
- Insubordination

Disciplinary actions may include:

1. Verbal warning
2. Written warning
3. Suspension
4. Termination

Employees shall have the right to be heard.

6.2 Appeals Procedure

Employees may appeal disciplinary decisions within fourteen days.

Appeals shall be submitted in writing to management.

6.3 Termination of Employment

Employment may end through:

- Resignation
- Retirement
- Expiry of contract
- Dismissal

Exit procedures shall include:

- Clearance forms
- Return of company property
- Final payments.

JOB DESCRIPTIONS AND RESPONSIBILITIES

Managing Director/CEO

Responsibilities

- Provide strategic leadership.
- Mobilize resources and partnerships.
- Represent GKG nationally and internationally.
- Approve annual plans and budgets.
- Supervise department heads.
- Ensure legal compliance.

Human Resource Officer

Responsibilities

- Manage recruitment and contracts.
- Maintain personnel files.
- Administer payroll and benefits.
- Coordinate performance reviews.
- Ensure compliance with labor laws.

Administrative Assistant

Responsibilities

- Office administration.
- Records management.
- Schedule meetings.
- Manage assets.
- Provide logistics support.

Staff Obligations

All employees shall:

- Comply with company policies.
- Maintain confidentiality.
- Protect company assets.
- Promote teamwork and integrity.
- Respect beneficiaries and stakeholders.
- Report misconduct or fraud.

PART III: FINANCE AND ACCOUNTING

1. INTRODUCTION

The Finance and Accounting Manual establishes policies, procedures, and responsibilities for the management of financial resources at Golden Kitchen Garden Rwanda Ltd (GKG). The purpose of this manual is to ensure that all financial transactions are conducted in an efficient, transparent, accountable, and lawful manner.

This manual applies to all employees, consultants, volunteers, and partners handling company resources.

The objectives of this manual are to:

- Ensure proper stewardship of company resources;
- Strengthen internal controls;
- Promote accountability and transparency;

- Ensure compliance with Rwanda laws and donor requirements;
- Support sound financial decision-making.

2. FINANCIAL POLICIES

2.1 Accountability Policy

GKG shall maintain high standards of accountability in the management of financial resources.

Policy Statements

- All expenditures must be authorized.
- Staff are accountable for funds under their control.
- Financial records shall be complete and accurate.
- Misuse of funds is prohibited.

Responsibilities

Every employee entrusted with company resources shall ensure that such resources are used only for approved organizational purposes.

Any suspected fraud or misuse of funds shall be reported immediately to management.

2.2 Transparency Policy

GKG is committed to maintaining transparency in all financial operations.

The company shall:

- Maintain accurate accounting records;
- Provide timely financial reports;
- Facilitate internal and external audits;
- Disclose financial information to authorized stakeholders.

Financial information shall be available for review by management, auditors, and donors as required.

2.3 Value for Money Policy

GKG shall ensure efficient use of resources by promoting:

Economy

Purchasing goods and services at the best price without compromising quality.

Efficiency

Achieving maximum outputs with minimum resources.

Effectiveness

Achieving intended objectives and impacts.

All procurement and financial decisions shall consider value for money principles.

3. BUDGET PREPARATION PROCEDURES

3.1 Annual Budget Cycle

The annual budget shall be prepared before the start of each financial year.

Steps in Budget Preparation

1. Departments prepare work plans.
2. Departments estimate budget requirements.
3. Finance consolidates departmental budgets.
4. Management reviews the draft budget.
5. The Board approves the final budget.

The approved budget shall guide all financial activities.

3.2 Budget Components

The budget shall include:

- Personnel costs;
- Program expenses;
- Administrative expenses;
- Capital investments;
- Contingency provisions.

No expenditure shall exceed approved budget limits without authorization.

4. BUDGET APPROVAL PROCEDURES

All budgets shall undergo review and approval before implementation.

Approval Levels

Department Heads

- Review departmental budgets.

Finance Manager

- Consolidate and analyze budgets.

Managing Director

- Approve operational budgets.

Board of Directors

- Approve annual institutional budgets.

Budget revisions shall require written approval.

5. BANKING PROCEDURES

5.1 Bank Accounts

All company funds shall be maintained in authorized bank accounts.

Opening or closing bank accounts requires approval by the Board of Directors.

5.2 Bank Signatories

Authorized signatories shall be appointed by management.

Payments shall require at least two authorized signatures.

No employee shall authorize payment to themselves.

5.3 Electronic Banking

Electronic banking services may be used for efficiency and security.

Access credentials shall remain confidential.

Unauthorized use of banking systems is prohibited.

6. PETTY CASH MANAGEMENT

6.1 Purpose of Petty Cash

Petty cash shall be used for minor operational expenses only.

Examples include:

- Office supplies;
- Local transport;
- Small repairs.

6.2 Petty Cash Procedures

1. Petty cash requests shall be supported by vouchers.
2. Receipts must accompany expenditures.
3. The Cashier shall maintain a cashbook.
4. Regular reconciliations shall be conducted.

Petty cash limits shall be determined by management.

6.3 Cash Counts

The Finance Manager shall conduct periodic cash counts.

Any shortages or surpluses shall be investigated immediately.

7. PAYMENT PROCESSING

7.1 Payment Authorization

Payments shall only be processed after verification of:

- Approved budget;
- Supporting documents;
- Goods received;
- Services delivered.

7.2 Supporting Documents

Required documents include:

- Purchase requests;
- Purchase orders;
- Invoices;
- Delivery notes;
- Contracts;
- Receipts.

Incomplete documentation shall result in payment delays.

7.3 Payment Methods

Payments may be made through:

- Bank transfers;
- Mobile money;
- Cheques.

Cash payments shall be minimized.

8. FINANCIAL REPORTING

8.1 Monthly Reports

The Finance Department shall prepare monthly reports including:

- Income statements;
- Expenditure reports;
- Budget variance analysis;
- Cash flow statements.

8.2 Annual Financial Statements

Annual financial statements shall include:

- Statement of Financial Position;
- Statement of Income and Expenditure;
- Cash Flow Statement;
- Notes to Accounts.

Reports shall comply with applicable accounting standards.

8.3 Donor Reporting

Grant-funded projects shall comply with donor reporting requirements.

Financial reports shall be submitted accurately and on time.

9. ASSET REGISTER MANAGEMENT

9.1 Asset Acquisition

All purchased assets shall be recorded immediately.

Assets include:

- Computers;
- Furniture;
- Vehicles;
- Equipment;
- Agricultural tools.

9.2 Asset Register

The register shall include:

- Asset code;
- Description;
- Purchase date;
- Cost;
- Location;
- Custodian.

9.3 Physical Verification

Asset verification shall be conducted at least annually.

Missing assets shall be investigated.

9.4 Disposal of Assets

Asset disposal shall require management approval.

Disposal methods may include:

- Sale;
- Donation;
- Write-off.

Records shall be maintained for all disposals.

10. AUDIT PROCEDURES

10.1 Internal Audit

Management shall periodically review financial systems and controls.

Internal audits shall assess:

- Compliance;
- Efficiency;
- Risk management.

10.2 External Audit

An independent auditor shall conduct annual audits.

Audit findings shall be communicated to management and the Board.

Corrective actions shall be implemented promptly.

10.3 Fraud Reporting

Employees shall report suspected fraud immediately.

Whistleblowers shall be protected from retaliation.

Fraud investigations shall be conducted confidentially.

11. STAFF RESPONSIBILITIES

11.1 Finance Manager

Responsibilities

- Lead financial planning and budgeting.
- Monitor budget implementation.
- Prepare financial reports.
- Ensure compliance with tax regulations.
- Coordinate internal and external audits.
- Supervise finance staff.
- Manage cash flow.
- Advise management on financial matters.
- Strengthen internal controls.
- Ensure compliance with donor requirements.

11.2 Accountant

Responsibilities

- Record all financial transactions.
- Prepare bank reconciliations.
- Process payments.
- Maintain accounting systems.
- Prepare financial statements.
- File tax returns.
- Maintain supporting documents.
- Support audits.
- Verify expenditures.

- Ensure compliance with accounting policies.

11.3 Cashier

Responsibilities

- Manage petty cash.
- Maintain cashbook records.
- Prepare payment vouchers.
- Safeguard cash resources.
- Support reconciliations.
- File receipts and vouchers.
- Process approved payments.
- Report cash shortages immediately.
- Maintain confidentiality.
- Support financial controls.

12. COMPLIANCE AND REVIEW

All employees shall comply with this manual.

Violations may result in disciplinary action.

PART IV: PROCUREMENT AND LOGISTICS

1. INTRODUCTION

The Procurement and Logistics Manual establishes policies and procedures governing the acquisition, storage, movement, and management of goods, services, vehicles, and assets at Golden Kitchen Garden Rwanda Ltd (GKG).

The purpose of this manual is to ensure that procurement and logistics activities are conducted in a transparent, efficient, cost-effective, and accountable manner while complying with applicable laws and donor requirements.

This manual applies to all employees, consultants, contractors, and partners involved in procurement and logistics activities.

The guiding principles of procurement at GKG are:

- Transparency
- Accountability
- Fair competition
- Value for money
- Integrity
- Efficiency

- Sustainability

2. PROCUREMENT PLANNING

2.1 Purpose

Procurement planning ensures that goods and services required for program implementation are acquired in a timely and cost-effective manner.

2.2 Annual Procurement Plan

At the beginning of each financial year, each department shall prepare procurement requirements based on approved work plans and budgets.

The Procurement Officer shall consolidate departmental requests into an Annual Procurement Plan.

The plan shall include:

- Item description;
- Quantity required;
- Estimated cost;
- Procurement method;
- Delivery schedule;
- Responsible department.

The Annual Procurement Plan shall be approved by management before implementation.

2.3 Procurement Principles

All procurement activities shall adhere to the following principles:

Economy: Obtain goods and services at competitive prices.

Efficiency: Ensure timely delivery and utilization.

Fairness: Provide equal opportunities to suppliers.

Transparency: Document all procurement processes.

Accountability: Ensure responsible use of organizational resources.

3. SUPPLIER SELECTION

3.1 Supplier Registration

GKG shall maintain an approved supplier database.

Suppliers may be registered after submission of:

- Business registration certificate;
- Tax clearance certificate;
- Company profile;
- References;
- Banking details.

3.2 Supplier Evaluation Criteria

Suppliers shall be evaluated based on:

- Price competitiveness;
- Quality standards;
- Delivery capacity;
- Financial stability;
- Experience and reputation;
- Compliance with laws.

Preference may be given to local suppliers and environmentally responsible businesses.

3.3 Supplier Performance Review

Supplier performance shall be reviewed periodically based on:

- Quality of goods;
- Timeliness of delivery;
- Customer service;
- Compliance with contract terms.

Poor-performing suppliers may be suspended or removed from the supplier database.

4. TENDERING PROCEDURES

4.1 Procurement Thresholds

The procurement method used shall depend on the value of goods or services.

Methods may include:

- Direct purchase;
- Request for quotations;
- Competitive bidding;
- Open tender.

Management shall establish procurement thresholds and approval limits.

4.2 Request for Quotations

At least three quotations shall be obtained for significant purchases whenever possible.

Quotations shall be evaluated based on:

- Cost;
- Quality;
- Delivery schedule;
- Technical specifications.

Evaluation results shall be documented.

4.3 Tender Committee

Large procurements shall be reviewed by a Tender Committee appointed by management.

The committee shall:

- Open bids;
- Evaluate submissions;
- Recommend suppliers;
- Ensure fairness and transparency.

Committee members shall declare conflicts of interest before participating.

4.4 Award of Contracts

Contracts shall be awarded to suppliers who offer the best value for money and meet required specifications.

Unsuccessful bidders may be informed of procurement outcomes upon request.

5. CONTRACT MANAGEMENT

5.1 Contract Preparation

Contracts shall clearly define:

- Scope of work;
- Deliverables;
- Timelines;
- Payment terms;

- Reporting requirements;
- Penalties for non-performance.

All contracts shall be reviewed before signing.

5.2 Contract Approval

Only authorized officials may sign contracts on behalf of GKG.

Major contracts may require approval from the Managing Director or Board of Directors.

5.3 Contract Monitoring

The responsible department shall monitor supplier performance throughout contract implementation.

Monitoring shall ensure:

- Timely delivery;
- Quality assurance;
- Compliance with terms.

Any contract variations shall be documented and approved.

6. INVENTORY MANAGEMENT

6.1 Purpose

Inventory management ensures proper storage, tracking, and utilization of organizational resources.

Inventory includes:

- Office supplies;
- Agricultural inputs;
- Equipment;
- Spare parts;
- Training materials.

6.2 Stock Records

The Logistics Officer shall maintain stock records showing:

- Item description;
- Quantity received;
- Quantity issued;

- Balance available;
- Date of transaction.

6.3 Stock Issue Procedures

Goods shall only be issued upon approved requests.

The receiving employee shall sign stock issue forms.

6.4 Stock Taking

Physical stock counts shall be conducted quarterly and annually.

Discrepancies shall be investigated immediately.

6.5 Storage Conditions

Warehouse facilities shall be secure, clean, and organized.

Special precautions shall be taken for seeds, organic fertilizers, and agricultural inputs to prevent damage or spoilage.

7. VEHICLE MANAGEMENT

7.1 Vehicle Use

Company vehicles shall be used strictly for official purposes.

Unauthorized use of vehicles is prohibited.

Employees shall obtain approval before using company vehicles.

7.2 Vehicle Assignment

Vehicle allocation shall be based on operational needs.

The Logistics Officer shall coordinate vehicle scheduling.

7.3 Maintenance

Preventive maintenance shall be conducted according to manufacturer recommendations.

Maintenance records shall include:

- Service dates;
- Repairs conducted;
- Costs incurred.

Drivers shall report mechanical problems immediately.

7.4 Insurance and Licensing

All vehicles shall maintain valid:

- Insurance;
- Registration;
- Roadworthiness certificates.

Management shall ensure compliance with transport regulations.

8. FUEL MANAGEMENT

8.1 Fuel Control

Fuel shall only be used for authorized activities.

The company shall maintain fuel logs for each vehicle.

8.2 Fuel Records

Fuel records shall indicate:

- Vehicle number;
- Driver name;
- Date;
- Quantity issued;
- Mileage readings.

8.3 Fuel Monitoring

The Logistics Officer shall monitor fuel consumption regularly.

Unusual fuel usage shall be investigated.

9. STAFF RESPONSIBILITIES

9.1 Procurement Officer

Responsibilities

- Prepare annual procurement plans.
- Obtain quotations from suppliers.
- Coordinate tendering processes.
- Maintain procurement records.
- Manage supplier relationships.
- Ensure compliance with procurement policies.
- Monitor contract implementation.
- Support audits and inspections.
- Promote value for money.
- Maintain confidentiality.
- **9.2 Logistics Officer**

Responsibilities

- Manage fleet operations.
- Coordinate vehicle scheduling.
- Supervise warehouse operations.
- Maintain inventory records.
- Track organizational assets.
- Monitor fuel consumption.
- Conduct stock verification.
- Arrange transport and logistics.
- Ensure asset security.
- Prepare logistics reports.

9.3 Driver

Responsibilities

- Drive safely and responsibly.
- Comply with traffic laws.
- Conduct daily vehicle inspections.
- Maintain vehicle cleanliness.
- Report breakdowns promptly.
- Record mileage and fuel usage.
- Complete trip authorization forms.
- Transport staff and goods safely.
- Safeguard company property.
- Maintain trip documentation.

10. INTERNAL CONTROLS AND COMPLIANCE

To strengthen accountability:

- Duties shall be segregated.
- Procurement documentation shall be retained.

- Procurement files shall be audited regularly.
- Staff shall avoid conflicts of interest.
- Fraudulent activities shall be reported immediately.

Violations of procurement procedures may result in disciplinary action, contract cancellation, or legal proceedings.

11. REVIEW OF THE MANUAL

This Procurement and Logistics Manual shall be reviewed every two years or whenever there are significant organizational or legal changes.

Any amendments shall be approved by management and the Board of Directors.

PART V: PROGRAMS AND OPERATIONS

1. INTRODUCTION

The Programs and Operations Manual establishes the policies, procedures, and responsibilities governing the planning, implementation, monitoring, and reporting of projects and programs implemented by Golden Kitchen Garden Rwanda Ltd (GKG).

The purpose of this manual is to ensure that all programs are implemented efficiently, effectively, transparently, and in alignment with the mission of promoting climate-smart agriculture, nutrition security, environmental sustainability, and economic empowerment.

This manual applies to all employees, consultants, volunteers, and partners involved in program implementation.

The guiding principles include:

- Accountability
- Participation
- Inclusiveness
- Sustainability
- Innovation
- Transparency
- Learning and Adaptation

2. PROPOSAL DEVELOPMENT PROCEDURES

2.1 Purpose

Proposal development is the process of designing and documenting projects for submission to donors, investors, government institutions, and development partners.

The objective is to mobilize resources that support GKG's strategic goals.

2.2 Proposal Identification

Potential funding opportunities may be identified through:

- Donor calls for proposals;
- Government opportunities;
- Corporate Social Responsibility (CSR) initiatives;
- Strategic partnerships;
- Research and innovation grants.

The Program Manager shall maintain a database of funding opportunities.

2.3 Proposal Preparation

Project proposals shall include:

- Background and justification;
- Problem statement;
- Objectives;
- Target beneficiaries;
- Activities;
- Budget;
- Monitoring framework;
- Sustainability strategy.

All proposals shall align with GKG strategic objectives.

2.4 Proposal Approval

Before submission:

- Technical review shall be conducted;
- Budget verification shall be completed;
- Management approval shall be obtained.

Only the Managing Director or authorized delegate may approve final submissions.

3. PROJECT DESIGN PROCEDURES

3.1 Needs Assessment

Projects shall be based on evidence gathered through:

- Community consultations;

- Surveys;
- Focus group discussions;
- Baseline studies;
- Stakeholder meetings.

The needs of women, youth, and persons with disabilities shall be considered.

3.2 Project Planning

Project plans shall define:

- Objectives;
- Outputs;
- Outcomes;
- Indicators;
- Timelines;
- Budgets;
- Responsibilities.

Logical frameworks and work plans shall guide implementation.

3.3 Risk Assessment

Each project shall conduct risk analysis covering:

- Financial risks;
- Environmental risks;
- Climate risks;
- Operational risks;
- Safeguarding risks.

Mitigation measures shall be documented.

4. PROJECT IMPLEMENTATION PROCEDURES

4.1 Activity Planning

Activities shall be implemented according to approved work plans and budgets.

The Program Manager shall ensure adequate resources are available before implementation

4.2 Community Engagement

Communities shall actively participate in project implementation.

Special attention shall be given to:

- Women;
- Youth;
- Persons with disabilities;
- Vulnerable households.

Community ownership promotes sustainability.

4.3 Technical Standards

All agricultural interventions shall promote Climate Smart Agriculture (CSA), including:

- Kitchen gardens;
- Organic farming;
- Water conservation;
- Compost production;
- Soil protection practices.

Field activities shall follow approved technical guidelines.

4.4 Resource Management

Project resources shall be used only for approved activities.

Staff shall safeguard all project assets and equipment.

Misuse of project resources is prohibited.

5. MONITORING PROCEDURES

5.1 Purpose of Monitoring

Monitoring tracks project progress and measures results.

Monitoring helps management to:

- Assess performance;
- Identify challenges;
- Improve decision-making;
- Strengthen accountability.

5.2 Data Collection

Data may be collected through:

- Field visits;
- Surveys;
- Attendance sheets;
- Mobile applications;
- Observation checklists.

Data shall be accurate, complete, and timely.

5.3 Field Monitoring Visits

Program staff shall conduct regular visits to:

- Schools;
- Farmer groups;
- Cooperatives;
- Demonstration sites.

Monitoring findings shall be documented.

5.4 Data Quality Assurance

The organization shall ensure:

- Accuracy;
- Reliability;
- Completeness;
- Confidentiality.

Data verification shall be conducted periodically.

6. REPORTING PROCEDURES

6.1 Internal Reporting

Employees shall prepare regular reports including:

- Activity reports;
- Monthly reports;
- Quarterly reports;
- Annual reports.

Reports shall highlight achievements, challenges, lessons learned, and recommendations.

6.2 Donor Reporting

Donor reports shall comply with contractual obligations.

Reports may include:

- Narrative reports;
- Financial reports;
- Indicator tracking tables;
- Success stories.

Submission deadlines shall be respected.

6.3 Documentation and Records

All project documents shall be securely maintained, including:

- Work plans;
- Contracts;
- Attendance sheets;
- Monitoring tools;
- Reports.

Electronic and hard copy filing systems shall be maintained.

7. PARTNERSHIP MANAGEMENT

7.1 Purpose

Partnerships strengthen organizational capacity and impact.

GKG shall collaborate with:

- Government institutions;
- NGOs;
- Schools;
- Cooperatives;
- Research institutions;

- Private sector companies.

7.2 Partnership Agreements

Partnerships shall be governed by:

- Memoranda of Understanding (MoUs);
- Contracts;
- Grant agreements.

Roles and responsibilities shall be clearly defined.

7.3 Communication with Partners

Regular communication shall be maintained through:

- Meetings;
- Reports;
- Field visits;
- Joint reviews.

Transparency and mutual respect shall guide partnerships.

7.4 Partnership Review

Partnership performance shall be reviewed periodically to assess:

- Effectiveness;
- Sustainability;
- Mutual benefits.

Lessons learned shall improve future collaboration.

8. STAFF RESPONSIBILITIES

8.1 Program Manager

Responsibilities

- Lead project implementation.
- Supervise field teams.
- Monitor project results.
- Prepare donor reports.
- Coordinate project planning.
- Manage project budgets.
- Ensure compliance with donor requirements.

- Strengthen partnerships.
- Conduct risk management.
- Report to senior management.

8.2 Project Officer

Responsibilities

- Coordinate field activities.
- Prepare work plans.
- Engage stakeholders.
- Support monitoring activities.
- Prepare project reports.
- Facilitate trainings.
- Maintain project records.
- Support budget implementation.
- Mobilize communities.
- Ensure timely delivery of activities.

8.3 Field Officer

Responsibilities

- Conduct farmer training.
- Support school garden establishment.
- Collect field data.
- Mobilize communities.
- Monitor beneficiary progress.
- Facilitate demonstrations.
- Support farmer groups.
- Prepare field reports.
- Promote climate-smart agriculture.
- Report challenges to supervisors

8.4 Extension Agent

Responsibilities

- Provide technical support to farmers.
- Demonstrate CSA practices.
- Conduct follow-up visits.
- Support kitchen garden installation.
- Train beneficiaries on nutrition.
- Promote sustainable farming methods.
- Monitor crop performance.
- Collect extension data.

- Encourage adoption of innovations.
- Link farmers to markets and services.

9. ETHICAL STANDARDS

All program staff shall:

- Respect beneficiaries.
- Protect confidential information.
- Promote inclusion and equality.
- Avoid conflicts of interest.
- Comply with safeguarding policies.
- Prevent fraud and corruption.

Violation of ethical standards may lead to disciplinary action.

10. REVIEW OF THE MANUAL

This Programs and Operations Manual shall be reviewed every 4 years or whenever significant organizational changes occur.

Any amendments shall be approved by management and the Board of Directors.

PART VI: MONITORING, EVALUATION, ACCOUNTABILITY AND LEARNING (MEAL)

1. INTRODUCTION

The Monitoring, Evaluation, Accountability and Learning (MEAL) Manual provides policies, procedures, and guidelines for planning, monitoring, evaluating, and reporting on the performance and impact of programs implemented by Golden Kitchen Garden Rwanda Ltd (GKG).

The MEAL system enables GKG to measure results, improve decision-making, ensure accountability to stakeholders, and strengthen organizational learning.

This manual applies to all employees, consultants, volunteers, and partners involved in project implementation and data management.

The objectives of the MEAL system are to:

- Track project implementation and performance;
- Measure outcomes and impact;
- Improve accountability to beneficiaries and donors;
- Facilitate evidence-based decision making;
- Promote organizational learning and adaptation.

2. MEAL PRINCIPLES

GKG shall implement MEAL activities according to the following principles:

Accountability: Ensuring responsible use of resources and reporting to stakeholders.

Participation: Engaging beneficiaries and partners in project monitoring.

Accuracy:Collecting reliable and valid data.

Timeliness: Producing information when needed for decision-making.

Transparency: Providing clear and accessible information.

Learning:Using evidence to improve future programming.

3. INDICATOR DEVELOPMENT

3.1 Purpose

Indicators measure progress toward achieving project objectives and expected results.

Indicators shall be developed during project design and incorporated into project logframes and monitoring plans.

3.2 Types of Indicators

Input Indicators: Measure resources used.

Examples:

- Amount of funding received;
- Number of staff recruited.

Output Indicators

Measure immediate products and services.

Examples:

- Number of kitchen gardens established;
- Number of farmers trained.

Outcome Indicators

Measure changes resulting from project activities.

Examples:

- Increase in household vegetable consumption;
- Adoption of climate-smart agriculture practices.

Impact Indicators

Measure long-term changes.

Examples:

- Reduction in malnutrition rates;
- Improved household income.

3.3 SMART Indicators

All indicators shall be:

- Specific
- Measurable
- Achievable
- Relevant
- Time-bound

The MEAL Officer shall ensure that indicators meet SMART criteria.

4. DATA COLLECTION PROCEDURES

4.1 Data Collection Methods

Data may be collected using:

- Surveys;
- Interviews;
- Observation checklists;
- Focus group discussions;
- Attendance sheets;
- Mobile data collection tools;
- Field monitoring visits.

4.2 Data Collection Tools

Standardized tools may include:

- Questionnaires;
- Registration forms;
- Monitoring checklists;
- Beneficiary databases.

All tools shall be approved before use.

4.3 Frequency of Data Collection

Data collection may occur:

- Daily;
- Weekly;
- Monthly;
- Quarterly;
- Annually.

The frequency shall depend on project requirements.

4.4 Ethical Considerations

Staff shall ensure:

- Informed consent;
- Confidentiality;
- Respect for participants;
- Data protection.

No personal information shall be disclosed without authorization.

5. DATA VERIFICATION PROCEDURES

5.1 Purpose

Data verification ensures that information collected is accurate, reliable, and complete.

5.2 Verification Methods

Methods include:

- Field spot checks;
- Cross-checking records;

- Supervisory visits;
- Data quality assessments;
- Independent verification.

5.3 Data Quality Standards

Data shall meet the following standards:

Accuracy:Data correctly reflects reality.

Completeness: All required information is captured.

Reliability: Data collection methods are consistent.

Timeliness:Information is available when required.

Integrity: Data remains protected from manipulation.

5.4 Data Storage

Project data shall be stored securely using:

- Electronic databases;
- Cloud systems;
- Locked cabinets.

Access to data shall be restricted to authorized personnel.

6. REPORTING PROCEDURES

6.1 Internal Reporting

Project teams shall prepare:

- Weekly reports;
- Monthly reports;
- Quarterly reports;
- Annual reports.

Reports shall include:

- Achievements;
- Challenges;
- Lessons learned;
- Recommendations.

6.2 Donor Reporting

Donor reports shall comply with contractual obligations.

Reports may include:

- Narrative reports;
- Financial reports;
- Indicator tracking tables;
- Success stories;
- Photographs.

Reports shall be submitted within agreed timelines.

6.3 Management Reporting

The MEAL Officer shall provide management with performance information to support decision-making.

Management reports shall highlight:

- Progress toward targets;
- Risks and challenges;
- Corrective actions.

7. LEARNING AND ACCOUNTABILITY

7.1 Organizational Learning

GKG shall promote continuous learning through:

- Reflection meetings;
- Review workshops;
- Knowledge sharing sessions;
- Documentation of best practices.

Lessons learned shall inform future programming.

7.2 Beneficiary Accountability

Beneficiaries have the right to:

- Receive project information;
- Provide feedback;
- Submit complaints;
- Participate in decision-making.

7.3 Feedback and Complaints Mechanism

Complaints may be submitted through:

- Suggestion boxes;
- Telephone calls;
- Meetings;
- Written submissions;
- Digital platforms.

All complaints shall be investigated fairly and confidentially.

7.4 Evaluation

Projects may undergo:

Baseline Assessments

Conducted before implementation.

Mid-Term Evaluations

Conducted during implementation.

Final Evaluations

Conducted at project completion.

Evaluation findings shall be used to improve future interventions.

8. STAFF RESPONSIBILITIES

8.1 MEAL Officer

Responsibilities

- Design monitoring and evaluation systems.
- Develop indicators and logframes.
- Prepare monitoring plans.
- Analyze quantitative and qualitative data.
- Produce reports for management and donors.
- Ensure data quality standards.
- Conduct data verification exercises.
- Coordinate evaluations.
- Facilitate learning activities.
- Manage beneficiary accountability systems.

8.2 Data Clerk

Responsibilities

- Enter project data accurately.
- Maintain databases and records.
- Verify data completeness.
- Support data cleaning.
- Generate summary tables.
- File data collection forms.
- Ensure confidentiality of records.
- Support report preparation.
- Assist during evaluations.
- Maintain electronic data systems.

9. DATA SECURITY AND CONFIDENTIALITY

All staff shall protect sensitive information.

Employees shall:

- Keep passwords secure;
- Restrict unauthorized access;
- Safeguard beneficiary information;

PART VIII: SAFEGUARDING, HEALTH, SAFETY AND ENVIRONMENT (HSE), AND RISK MANAGEMENT

1. INTRODUCTION

Golden Kitchen Garden Rwanda Ltd (GKG) is committed to providing a safe, secure, and respectful environment for employees, beneficiaries, partners, and communities. This manual establishes policies and procedures to prevent harm, protect vulnerable groups, promote workplace safety, safeguard the environment, and manage organizational risks.

The manual applies to all employees, consultants, volunteers, interns, contractors, and visitors engaged in GKG activities.

The objectives of this manual are to:

- Protect children and vulnerable persons;
- Prevent sexual exploitation and abuse;
- Promote occupational health and safety;
- Protect the environment;
- Prevent fraud and corruption;
- Strengthen emergency preparedness and response.

2. CHILD SAFEGUARDING POLICY

2.1 Purpose

GKG recognizes that children have the right to protection from abuse, neglect, exploitation, and violence. All employees have a responsibility to safeguard children encountered through programs and operations.

2.2 Definition of a Child

For purposes of this policy, a child is any person below the age of eighteen (18) years.

2.3 Policy Statement

GKG adopts a zero-tolerance approach to child abuse and exploitation.

Employees shall:

- Treat children with dignity and respect;
- Ensure child safety during activities;
- Avoid inappropriate behavior toward children;
- Report suspected abuse immediately.

2.4 Prohibited Conduct

The following actions are strictly prohibited:

- Physical abuse;
- Emotional abuse;
- Sexual abuse or exploitation;
- Child labor;
- Neglect or abandonment;
- Use of offensive language toward children.

Any employee violating this policy shall face disciplinary action, including termination and referral to law enforcement authorities.

3. PROTECTION FROM SEXUAL EXPLOITATION AND ABUSE (PSEA)

3.1 Policy Statement

GKG prohibits all forms of sexual exploitation, abuse, and harassment.

No employee may use their position of authority for sexual gain or favors.

3.2 Prohibited Conduct

Examples include:

- Demanding sexual favors;
- Exploiting beneficiaries;
- Sexual relationships involving coercion;
- Exchange of money or assistance for sex;
- Sexual harassment in the workplace.

3.3 Reporting Mechanisms

Employees and beneficiaries may report concerns through:

- Supervisors;
- Complaint boxes;
- Telephone hotlines;
- Written complaints;
- Email reporting systems.

All reports shall be handled confidentially

3.4 Investigations

Investigations shall be:

- Fair;
- Confidential;
- Timely;
- Survivor-centered.

Retaliation against whistleblowers is prohibited.

4. OCCUPATIONAL HEALTH AND SAFETY POLICY

4.1 Purpose

The purpose of this policy is to ensure safe and healthy working conditions for all employees and visitors.

GKG is committed to preventing workplace accidents, injuries, and illnesses.

4.2 Employer Responsibilities

Management shall:

- Provide safe working environments;
- Supply protective equipment;

- Conduct safety training;
- Assess workplace risks;
- Investigate incidents.

4.3 Employee Responsibilities

Employees shall:

- Follow safety procedures;
- Use protective equipment correctly;
- Report hazards immediately;
- Participate in safety training.

4.4 Personal Protective Equipment (PPE)

Where necessary, employees shall use:

- Gloves;
- Boots;
- Helmets;
- Masks;
- Reflective jackets.

Failure to use PPE may result in disciplinary action.

5. ENVIRONMENTAL PROTECTION POLICY

5.1 Commitment

As a climate-smart agriculture enterprise, GKG is committed to environmental sustainability and conservation.

The company shall minimize environmental impacts arising from its activities.

5.2 Environmental Practices

GKG shall promote:

- Organic farming;
- Composting;
- Water conservation;
- Waste reduction;

- Recycling and reuse;
- Tree planting.

5.3 Waste Management

Waste shall be:

- Reduced where possible;
- Segregated appropriately;
- Recycled or disposed of safely.

Hazardous materials shall be handled according to applicable regulations.

5.4 Environmental Compliance

All projects shall comply with national environmental regulations and standards.

Environmental risks shall be assessed before implementation.

6. FRAUD PREVENTION POLICY

6.1 Policy Statement

GKG adopts a zero-tolerance approach to fraud, corruption, theft, and misuse of organizational resources.

6.2 Examples of Fraud

Fraud may include:

- Theft of money or assets;
- Falsification of records;
- Bribery;
- Forgery;
- Misappropriation of funds;
- Procurement irregularities.

6.3 Fraud Reporting

Employees shall immediately report suspected fraud to management.

Reports may be submitted confidentially.

Whistleblowers shall be protected from retaliation.

6.4 Investigations and Sanctions

Fraud allegations shall be investigated promptly.

Confirmed cases may result in:

- Disciplinary action;
- Recovery of losses;
- Termination of employment;
- Legal proceedings.

7. EMERGENCY RESPONSE POLICY

7.1 Purpose

GKG shall maintain systems to respond effectively to emergencies that may affect staff, beneficiaries, assets, or operations.

7.2 Types of Emergencies

Emergencies may include:

- Fire outbreaks;
- Floods;
- Disease outbreaks;
- Vehicle accidents;
- Security incidents;
- Natural disasters.

7.3 Emergency Preparedness

The organization shall:

- Develop emergency plans;
- Conduct drills;
- Maintain emergency contacts;
- Train staff in emergency procedures.

7.4 Incident Reporting

All incidents shall be reported immediately to supervisors.

Incident reports shall include:

- Date and time;
- Location;
- Persons involved;
- Description of the event;

- Actions taken.

7.5 First Aid

First aid kits shall be maintained at offices, vehicles, and project sites.

Designated staff shall receive first aid training.

8. RISK MANAGEMENT FRAMEWORK

8.1 Purpose

Risk management helps identify, assess, and mitigate threats to organizational objectives.

8.2 Types of Risks

GKG shall monitor:

- Financial risks;
- Operational risks;
- Environmental risks;
- Reputational risks;
- Safeguarding risks;
- Security risks.

8.3 Risk Assessment Process

The process shall include:

1. Risk identification;
2. Risk analysis;
3. Risk mitigation;
4. Monitoring and review.

A risk register shall be maintained and updated regularly.

9. STAFF RESPONSIBILITIES

9.1 Health, Safety and Environment (HSE) Officer

Responsibilities

- Conduct workplace safety inspections.
- Identify hazards and risks.
- Train staff on safety procedures.

- Investigate incidents and accidents.
- Maintain safety records.
- Monitor compliance with HSE standards.
- Coordinate emergency response activities.
- Promote environmental protection.
- Ensure availability of safety equipment.
- Prepare HSE reports.

9.2 Responsibilities of All Employees

All employees shall:

- Follow organizational policies and procedures.
- Report hazards, incidents, and risks.
- Protect company assets and equipment.
- Maintain confidentiality of information.
- Use safety equipment appropriately.
- Respect safeguarding principles.
- Participate in trainings and drills.
- Avoid fraudulent practices.
- Promote environmental sustainability.
- Support a safe and respectful workplace.

Failure to comply with these responsibilities may result in disciplinary action.

10. REVIEW AND COMPLIANCE

This manual shall be reviewed every 4 years or whenever there are changes in laws, donor requirements, or organizational operations.

All employees shall acknowledge receipt and understanding of this manual.

Non-compliance with the provisions of this manual may result in disciplinary action, termination of employment, or legal proceedings where applicable.
